BTL Sponsors Assessment Tomorrow: Assessment for Learning and the Impact of Technology

ShIPLEY, United Kingdom, November 2009

BTL Group Ltd is once again delighted to support and sponsor the Assessment Tomorrow event on 11th November at the Hilton Hotel, Edinburgh.

The theme for this year's event will be 'Assessment for Learning and the Impact of Technology'. During the conference, BTL Chairman Bob Gomersall will be speaking about BTL's involvement in e-Assessment in the UK Awarding Body market and how BTL e-Assessment solutions have been used in the assessment of skills and knowledge.

BTL staff will be on hand to answer any questions and showcase the UK Awarding Body system of choice: BTL Surpass.

Delegates at the event are invited to the BTL stand to receive a complimentary white paper, exploring 'Speed and Accuracy in Skills Assessment', which discusses the techniques and benefits of computerised skills assessments.
