

FOR IMMEDIATE RELEASE:

# BTL to exhibit and present at Assessment Tomorrow, Edinburgh

**Shipley, United Kingdom, November 2008**

BTL Group Ltd is delighted to sponsor the Assessment Tomorrow event at the Grosvenor Hotel, Edinburgh on the 12th November 2008.

The objectives of the conference are to:

- Evaluate the tools and techniques required by the education, training and corporate sectors, to measure and develop skills and knowledge, and to identify what technology can provide that is fit for purpose and cost effective.
- Raise awareness of the importance of e-Assessment, in all its forms, from electronic testing to e-portfolio management.
- Bring together the strategists, policy makers, practitioners and key decision makers at one event for an exchange of ideas and to review lessons learnt and opportunities.
- Provide a forum for developing the debate on the selection and use of e-Assessment.
- Identify the role of e-Assessment in the development of effective e-learning programmes.

BTL Chairman, Bob Gomersall, will be presenting on 'Supporting the Learning Process – New Approaches', and BTL staff will be on hand to demonstrate the BTL Surpass Suite of e Assessment development and delivery tools.

For further information about the conference, please visit [www.scotland2008.assessmenttomorrow.com](http://www.scotland2008.assessmenttomorrow.com)
