

FOR IMMEDIATE RELEASE:

BTL to exhibit and present at CBT Conference 2008, Baarn Holland

Shipley, United Kingdom, October 2008

BTL Group Ltd is proud to support the CBT (Computer Based Testing) conference in Baarn, Holland on 16th October 2008. The aim of the conference is to share experiences in using computer based technology to administer exams.

During the conference, Che Osborne - BTL Commercial Director - will be demonstrating BTL's Surpass Suite of e-Assessment development and delivery tools, which are being used by some of the largest Awarding Bodies in the UK to develop and deploy a full range of e Assessment programmes, from powerful diagnostic tools through to high-stake national examinations.

BTL will also be providing an overview of how highly innovative e-Assessment content is being used, from fully adaptive screening and diagnostic tools, to high-stake ICT simulations, utilising BTL's Virtual Desktop.

For further information about the conference, please visit www.cbtconference.com.

About BTL

BTL is a leading UK owned e-Assessment development and delivery company. With over 1 million certified exams powered by BTL, our content development and delivery tools are helping some of the UK's largest agencies face the challenge of onscreen delivery.

Since 1985 we have been successfully helping our customers exceed their assessment and learning expectations.
